Course description:
<p>The French Course aims to develop the four fundamental components dealt with in the acquisition / improvement process of the communicative competence in a foreign language: oral and written understanding, oral and written communication (level A2 from the Common European Framework of Reference).</p> <p>The French Course and Seminar aims:</p> <p>To develop linguistic, sociolinguistic and pragmatic competence.</p> <p>To develop the students' communicational competence for the four skills/levels (written understanding, oral understanding, written communication, oral communication).</p> <p>To develop knowledge competence (general culture, aspects related to interculturality and socioculture) and also communication skills needed in concrete contexts of everyday life and professional activities.</p> <p>To develop the cultural component as part of the communicational competence in a foreign language</p> <p>To develop the capacity to recognize and understand the facts of culture and civilization so as to create an intercultural perception.</p> <p>The course is structured in two parts. In the first part there are presented topics dealing with the everyday or professional life. The approaching method is an interactive one. Special attention will be paid to the aspects dealing with interculturality topics. The second part of the course deals with introducing/ furthering grammar aspects.</p>
Seminar / Laboratory / Project description:
<p>The seminars repeat the course topics which are illustrated/exploited by means of applied activities on the respective topic (both in communicational and grammatical contexts).</p> <p>The French Seminar (Practical Course) aims, by means of applied activities to develop the capacity to recognize, understand and react in general and professional communicational situations; to develop the capacity to use in real communication contexts, structures involving notions of professional communication (level A2 from the Common European Framework of</p>

Reference).
Intended learning outcomes:
<p>Agenda and Business Meetings: setting/cancelling a business appointment, organizing working hours, communicating a per hour program, checking/confirming information;</p> <p>Orientation and Travels: collecting/ presenting information related to a destination, explaining a route by means of clear spatial directions, visiting tourists' spots;</p> <p>At the Hotel: choosing and booking a hotel room, making a request, making a complaint;</p> <p>Culinary Traditions/At the Restaurant: understanding traditions, making an order, making critics/appreciations.</p> <p>Grammar Notions The Conditional Mood Passive Voice, Direction/Place/Location Relative Pronouns, Adverbial Pronouns Demonstrative Pronouns and Adjectives, Possessive pronouns and Adjectives</p>
