

Schlumberger Visit on Campus

Tuesday 11th of April, 2017 at 14:00 in UPB Library Building, floor 3, room 3.1

Who are we?

We are the world's leading oilfield services company. Working globally - often in remote and challenging locations - we invent, design, engineer, manufacture, apply, and maintain technology to help customers find and produce oil and gas safely.

Who are we searching for?

We are looking for self-motivated graduates to join our team who:

- have recently graduated in Engineering (any major)
- have exceptional problem solving, communication, and leadership skills
- are looking for real challenges and responsibility
- are interested in a global company that rewards performance and ambition

How does a career in Schlumberger look?

You will follow a 2 to 5 years fixed step training program, leading you to a borderless career in Operations Management, Marketing & Sales, Manufacturing, Personnel or Technical Domain.

Check our videos on our YouTube channel and apply on www.careers.slb.com or on www.cameron.slb.com (for the manufacturing opportunities)
